

Quality Policy

At Algoma Steel Inc., we strive to align our operations with our mission of delivering exceptional products and services while fostering a culture of excellence. To help achieve this, we:

- Operate an effective quality management system that ensures processes are developed, followed, and continuously improved in accordance with stated requirements.
- Develop and maintain a skilled workforce, ensuring every team member is equipped to fulfill our quality objectives while embodying our core values of Safety, Teamwork, Integrity and Caring.

Our vision for the future is rooted in innovation, sustainability, and customer-centric solutions, all of which guide our actions and improvements.

Rajat Marwah

Chief Executive Officer
